BOARD OF HEALTH REPORT

Three homes have been quarantined and fumigated for scarlet fever during the past year, with no bad results. Monthly analysis of our water supply has been obtained from the State Board of Health and the analysis of both the Georges Mills and Sunapee supply has shown to be good. The continual use of the clorinator, for both summer and winter, has been asked for by the State Board of Health, which can do no harm, although we may never realize its benefits. The State Board of Health, as well as your Health Officer, realizes that with an open bathing beach and cottages dotting our shores, with sceptic tanks and cesspools, we cannot be too vigilant in watching our water supply. We need your cooperation in this respect, and not your criticism.

A. D. FELCH, Health Officer.

Sunapee, N. H., February 1, 1938.

T. B. Clinic	2
Pre-school Clinic	1
Dental Clinic	3
Total	2,348

A child health conference for pre-school children, conducted by the State Board of Health, was held in May, thirty-seven children having physical examinations. Through such a clinic defects in health are found, which generally can be corrected before the child enters school. Such a procedure enables children to enter school in better physical condition, and to make more normal progress in the lower grades.

Through the cooperation of parents and teachers, it has been possible to keep in close touch with children absent from school, thereby accomplishing a helpful follow-up program. We believe that as a result of this work, we have been able to have a higher attendance record in our school and pupils have become more health conscious.

Seventeen children had eye examinations during the year, glasses being obtained for ten children. A large amount of this work was made possible through the assistance of the State Welfare Department, our local Parent-Teachers Association and Bartlett Fund.

A dental clinic for school children was held in May. Forty-six pupils received dental treatment. Contributions for this clinic were received from the Woman's Club, Ladies Aid, Parent-Teachers Association and Bartlett Fund.

In December physical examinations were given the High School basketball teams, both boys and girls. As a result of this examination we were in a position to know the physical condition of all pupils entering competitive sports, and thereby make valuable recommendations to any pupil as a result of the findings.

The cooperation received from parents and local organizations in correcting defects has been gratifying. It is hoped that through the coming year more corrections of teeth and tonsils may be made.

The Bartlett Fund has assisted our Public Health program at various times during the year in obtaining medical attention and accomplishing welfare work.

In closing, I wish to thank the townspeople, local organizations, town officials, and school authorities for their hearty cooperation.

ELIZABETH DONOVAN, R. N.

SUPERINTENDENT'S REPORT

To the Sunapee School Board:

I herewith submit my fourth annual report as your superintendent of schools.

Organization

The sixth grade has been removed from the charge of the high school teachers and housed with the fifth grade on the first floor. This is really the proper arrangement and was made possible by a slight change in enrollment and the disappearance of a special group which had been combined with the fifth grade. The high school teachers can use to advantage the additional periods thus allowed them.

Last summer brought a greater overturn in the corp of teachers than usual. Only two of the nine regular teachers (not counting the music supervisor) remained in their positions. The community was especially sorry to lose Mr. Ernest F. Forbes who had served as headmaster so efficiently since 1931. Both Mr. and Mrs. Forbes took an active part in community affairs and had won the respect and affection of all. Mr. Forbes is now headmaster of the Peterborough High School. Miss Corbett and Miss Davison are now married. Miss Whitford is teaching in the Hanover High School. Miss Minor is teaching in Keene. Miss Burnham has a teaching position in her home city, Beverly, Mass. Mrs. Bartlett retired on account of her health.

We are fortunate in securing as our new headmaster Mr. Leslie Cummings, who has served very successfully for the past nine years as headmaster of the high school at Bethlehem, N. H. Mrs. Cummings has been of great help in our music department by serving as pianist.

The other teachers, whose names appear elsewhere in this report, are doing excellent work. The school, notwithstanding the necessity of assimilating so many new workers, is running smoothly and effectively.

The Shop

This year we have added a course in practical mechanics, to follow a year in cabinetmaking. Much time has been spent the first part of this year in rearranging the shop, setting up a new metal-turning lathe and forge, and constructing a long

work bench. It is planned soon to install a chain hoist and other necessary epuipment for the course in auto-mechanics to be started next year. This will complete the installation of all major equipment. Sunapee will then have an unusually well furnished shop entirely adequate for the industrial courses which we are offering. The town is to be commended and congratulated for providing so completely this type of training for the young men. The shop work continues to be popular and is being conducted effectively by Mr. Domina. At a time when so many machines and tools are to be purchased, the town is fortunate in having school board members who are familiar with this material.

Repairs

The corridors and headmaster's office were redecorated last summer. This needed improvement produces a pleasing impression on those entering the building.

We are indebted to the Public Service Company of New Hampshire for the generous loan of a modern electric range for the use of the cooking classes.

Teachers' Meetings

The teachers of this supervisory union have held several meetings, as in other years, for the study of a special topic. In the past three years we have discussed study habits, reading and character education. This fall we studied methods of teaching arithmetic. Professional books on this subject were furnished each school. The teachers met in three groups according to the grades they teach, each group being in charge of a chairman. The discussions proved very interesting and helpful. The findings of each group were summarized and given to each teacher. A copy was also sent to the State Board of Education containing some suggestions for a future revision of the state program of studies.

Test Results

Standard tests were given this fall in reading, arithmetic and language. The results were on the whole satisfactory, especially in lower grade reading and eighth grade arithmetic. The scores in language and grammar (Grades 4-8 incl.) were uniformly good.

Each year the state gives to high school seniors standard tests in some fundamental subjects. Last year the subjects were arithmetic computation and English language. The Sunapee seniors were above standard in all tests.

Finances

The budget for 1938-39, thanks to the careful management of the School Board, calls for a reduced appropriation. By using

unexpended funds on hand, the Board is able to purchase now considerable shop equipment which would otherwise have to be included in next year's budget. Moreover there will be an estimated surplus of $1,500.00 which materially reduces the appropriation. In addition to this surplus there is a reserve fund of $941.30 (including this year's addition to the fund) for the payment of an insurance premium which becomes due at a later date.

I again wish to express my deep appreciation of the harmonious cooperation of School Board, teachers, and all others connected with the schools.

Sincerely yours,

ALFRED W. SMITH,
Superintendent of Schools.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of Sunapee qualified to vote in district affairs:

You are hereby notified to meet at the I. O. O. F. Hall in said District on Tuesday, the eighth day of March, 1938, at one-thirty o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose one or more Auditors and such other Officers and Agents as the voters may judge necessary.

Article 6. To hear and act upon the reports of the School Board, Treasurer, Auditors, and Committees heretofore chosen.

Article 7. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District as determined by the School Board in its annual report, namely $19,211.25.

Article 8. To see if the District will vote to raise and appropriate $3,500.00 to be paid on outstanding bonds, and $1,561.87 to pay interest on outstanding bonds.

Article 9. To see if the District will vote to adopt the so-called Medical Inspection Law, (Public Laws, Chapter 123, Sections 15-25 incl.), and appropriate money therefor.

Article 10. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 7th day of February, nineteen hundred thirty-eight.

ALBERT A. STOCKER,
EARL A. MARTIN,
MARY C. HAVEN,
School Board of Sunapee.
